

STANDARD UNWIND CHART

Please review the following chart and place an X in the box corresponding to the unwind your machine requires. Please also circle either both eyespots or the one which best suits your running conditions.

<p>1</p>  <p><input type="checkbox"/></p>	<p>2</p>  <p><input type="checkbox"/></p>
<p>3</p>  <p><input type="checkbox"/></p>	<p>4</p>  <p><input type="checkbox"/></p>
<p>5</p>  <p><input type="checkbox"/></p>	<p>6</p>  <p><input type="checkbox"/></p>
<p>7</p>  <p><input type="checkbox"/></p>	<p>8</p>  <p><input type="checkbox"/></p>
